

# Italy:PhD Programmes Calls and Admissions at University of Padova

PUBLIC SELECTION ANNOUNCEMENT FOR ADMISSION TO PHD COURSES FOR THE XXXII CYCLE

## Application criteria

Anyone who is in possession of the following, regardless of their nationality, may apply to take part in the selection process: • Italian diploma di laurea (vecchio ordinamento) • Master Degree (Italian Laurea specialistica/magistrale - nuovo ordinamento) • second-level academic qualifications awarded by institutions belonging to the 'AFAM' category (High Artistic and Musical Education).

## How to Apply

The application form to participate in the selection process may only be completed using the dedicated online procedure, available at: <https://pica.cineca.it/unipd/dottorati32>. Application forms must be completed by no later than 13.00 (CEST) on the announcement deadline date. Candidates intending to apply for more than one Course must send a separate application form for each chosen Course.

## Research Grants

For priority research grants, the research topic will also be specified. The holders of these grants are under the obligation to carry out the research activities specified in the agreement between the University and the institution providing funding for the grant, and must respect the contents of said agreement. Grants are only awarded to those who have a yearly income that is below the equivalent of a year's grant amount for the tax years when the grant will mainly be used. Should the grant holder's income exceed this limit, they will lose their right to the grant for the year in which the limit was exceeded. In this case, the individual concerned will be obliged to pay back any monthly grant instalments already received.
